Building Clean Summit 2019

# A Toolbox for Actionable Procurement Policies

## All People and the Planet Thrive When the Environment is Free of Hazardous Chemicals

**Research & Policy**  
**Data Systems**  
**Education &**  
**Capacity Building**

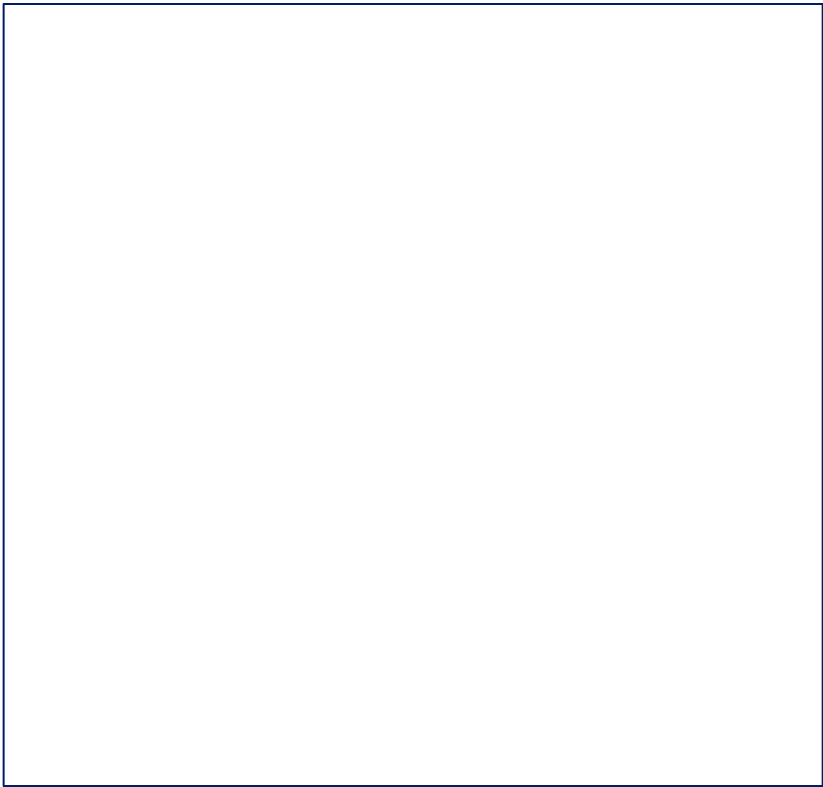

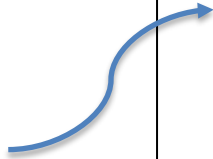

## US EPA

People spend up to 90% of their time in buildings, **and indoor air is typically 2 to 5 times more polluted than outdoor air.**

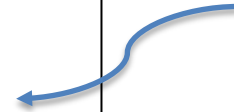

*(EPA - Report on the Environment)*

**Research  
and  
Resources**

**Detailed  
information on the  
spectrum for each  
level**

## Action

Benchmark your current practice and take a step up the spectrum to a healthier option.

# HBN – HPN Partnership

The screenshot shows the HPN Select EcoGuide product page for ProMar 200 Zero VOC Interior Latex. The page includes a product image, a star rating of 4.5, and a 'MATERIAL HEALTH GUIDANCE' gauge. The gauge is a semi-circle with a needle pointing to the 'Green' section, indicating a low level of concern. Below the gauge is a list of product attributes: 'VOC Free', 'Low formaldehyde content', 'Low volatile VOC content', 'Low VOC emissions', 'No unapproved health claims', 'No recycled parts', and 'Not a specialty paint'. The page also features sections for 'CERTIFICATIONS', 'DETAILS', 'SPECIFICATIONS', and 'LEGAL INFORMATION'. A blue arrow points from the 'MATERIAL HEALTH GUIDANCE' gauge to a large empty box on the right.

**HPN SELECT ECOGUIDE**

**ProMar 200 Zero VOC Interior Latex**

4.5 stars
